## STANTON SET STORE

As you may have read in the Bury Free Press, we are currently looking to relocate our set store at Stanton. The unit has proved far too expensive to be considered a worthy asset. Having a place to build set is a vitally important aspect of any theatrical society so if you know of a disused barn, lock or unit then please do not hesitate to contact **Mark Jefferson (Secretary) on (01638) 510460.**

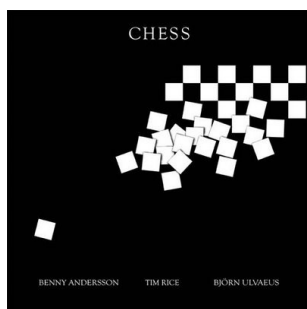

## OCTOBER 2009

Our Autumn Production in 2009 will be a play and has been narrowed down to 2 options. Together with the newsletter you should have received a brief synopsis of both plays. Maria Marten and the Murder in the Red Barn and Ten Times Table by Alan Ayckbourn. Please complete the slip attached to your synopsis stating which would be your

preference. **Thank you.**

If you wish to know more or would like to offer your services as a Director for the production please contact **Jackie Deane on (01284) 766337** for more details
